ABOUT ME

Hello! My name is Grace Broberg. As a passionate graphic designer, I specialize in creating stunning visual identities, impactful business collateral, and eye-catching promotional materials. My expertise includes vector art, business card design, print advertising, signage, and promotional products. I am dedicated to bringing your vision to life through creative and professional designs that leave a lasting impression. On my down time I enjoy hosting dinner parties for my family and friends especially during the holiday season.

WORK EXPERIENCE

2019 – Present

SAHM and Trusty Supply Designer / Chugiak, Alaska

Last five years, I have been a homesteader, a stay at home mom and setting up graphics for Trusty Supply. Trusty Supply is my husband's janitorial supply company. I have collaborated with my husband and his Business partner to design their logo, website, social media, signs, flyers, and Excel sheets.

2013 – 2019

Color Me Mine / Anchorage, Alaska
Manager and Painting Instructor

As a manager and ceramic paint teacher at Color Me Mine, I gained valuable experience in customer service and leadership during busy times. Additionally, I learned how to use kilns, pour molds, and operate a vinyl cutting machine, which has expanded my skill set.

2013 – 2017

Alaska Textiles / Anchorage, Alaska
Graphic Designers

I collaborated with the President and Sales Managers on various projects for Alaska Textiles and Korbana Protective Apparel, including business cards, banners, flyers, brochures, tablecloths, and promotional products for trade shows. My primary responsibility was to prepare customer's business logos for embroidery, screen printing, heat sealing, engraving, and printing on various promotional products. Additionally, I worked with the owner Fishe Wear to create fish-inspired designs for leggings, buffs, and belts.
